

**Lead Pastor** - part-time by-vocational for now

Calvary Church, Espanola Ontario 599 Barber St. Espanola, Ontario P5E 1M9  
(705) 869-5485

**Calvary Baptist Church**, of the Fellowship of Evangelical Baptist Churches in Ontario, is looking for a Lead Pastor to oversee the Church, provide vision and minister Biblically to the hearts of the believer. Doctrinally, we follow the statement of Faith from the [FEB Central - What We Believe](#) site. Please note that we believe that a male is to be the head of the church.

Espanola is a beautiful town that is close to Sudbury and easily accessible to many modern conveniences. It is a blue collar town for the most part, with a lot of young families, seniors and professionals and has its own hospital, college, large community centre with indoor ice rink for lots of hockey, as well as a large pool and gym and much more. The lakes abound up here and the air is fresh. It's a perfect place to raise a family and a place to make a difference for Christ.

We are looking for a Godly man, a student of The Word and a visionary who will see God's work in the present and future, work well with others, feed the flock, encourage non-Christians in the Lord and support a needed family based church in the process.

**Our Mission Statement:** Calvary Church's Mission is to raise up a community of disciples who are committed to Christ, His great commission (Mt 28:18-20) and loving their community according to Luke 10:27

**We need you to help us in our: Five Year Vision Statement for Calvary Church in Espanola**

Primarily, Calvary is to be a prayer centred, mission focused church. We go out each day to share the good news of the Gospels and to help the world. This will mean focusing our attention on our local communities and the world with loving and God honouring words and actions, as we look to Jesus the author and finisher of our faith (Heb 12:2).

In our church we will

i) offer church services that honour God and His Word

ii) use relevant music which will be Bible centred and comprised of traditional and newer music

iii) be a people that reach out to community, by sharing the love of God and the gift of His Son Jesus. Our programs will focus on Men's and Woman's groups for people both inside and outside the church and expand to youth as God provides.

Working together we will host 4-6 events a year as possible. This will allow us to become more familiar and accessible to individuals in our local area, with involvement in some key areas (eg...seniors groups, youth and with neighbours and the community at large), as God leads. We will also continue to encourage and support our missionaries in the field.

As God provides, we will be the blessed church Jesus calls us to be.

As a church, we will show you love, encouragement and support as we work together for the Lord. Salary will be based on experience and the availability of resources.

Education is always important and we need someone who is setting their sights on a Master of DIV or equivalent in the future. Please write to the address above or call us for more information. God bless.
